

## Assessment of Student Results

### Penilaian Hasil Perkuliahan Mahasiswa

1. Open the **ais.unmul.ac.id** site to fill in the values  
Buka situs ais.unmul.ac.id untuk melakukan pengisian nilai
2. Then, username is filled in with NIP, password is filled in according to the SIA account and enter the captcha according to the display. Then click the **SIGN IN** button  
Kemudian, username diisi dengan NIP; password diisi dengan password dari akun masing-masing di SIA; kemudian masukkan captcha sesuai tampilan. Kemudian klik tombol **SIGN IN**

The screenshot shows the login interface for the Academic Integrated System (AIS). The main form is titled 'Sign in to AIS' and includes fields for 'Username' (with the NIP '19070525992031014' entered), 'Password', and a 'CAPTCHA' field. A blue 'SIGN IN' button is located below the form. To the right, there is an 'INFORMASI PENTING!' section with a blue button that says '[Klik Disini] Untuk Mengakses SIA'.

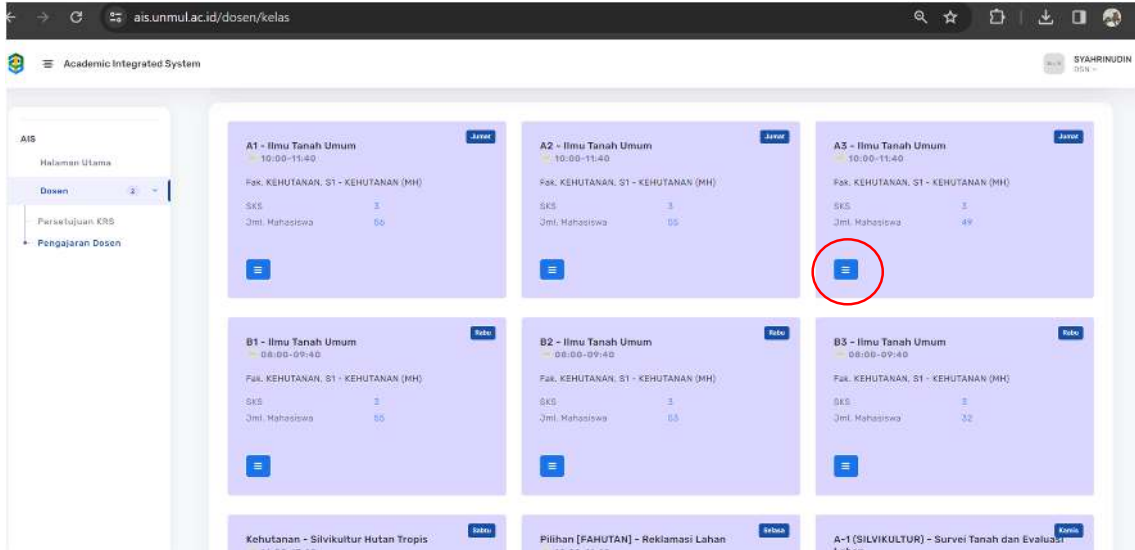

3. After logging in, click the **CLASS** button  
Setelah login, klik tombol **Lihat Kelas**

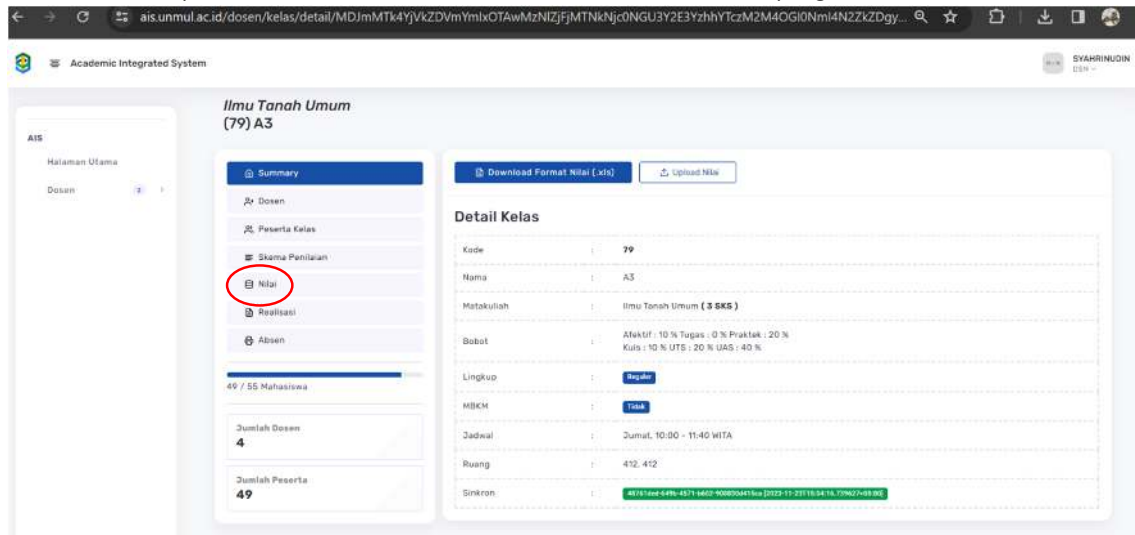

The screenshot shows the dashboard of the Academic Integrated System (AIS) after login. The page title is 'Halaman Utama'. The main content area displays a banner for 'SYAHRINUDIN' with the text 'Learn something new every day with world's best courses. Free online courses available.' Below the banner, there is a notification for '13 Jumlah Kelas' with a 'Lihat Kelas' button circled in red. Below this is a calendar for December 2023 and a section for 'Jadwal Kelas Hari Ini (Selasa)'.

S	M	T	M	T	F	S
26	27	28	29	30	1	2
3	4	5	6	7	8	9
10	11	12	13	14	15	16
17	18	19	20	21	22	23
24	25	26	27	28	29	30
