

MAHIDOL UNIVERSITY

Invitation letter

To. Mrs. Nani Husien

It is my great pleasure on behalf of the faculty of Environmental and Resource Studies, Mahidol University (999 Phutthamonthon Sai 4 Road, Phutthamonthon, Nakhon Pathom 73170, THAILAND) to invite you to our faculty in order to discuss cooperation in research. We have some experts on dendrochronology in our faculty. Therefore it is good that you want to visit our laboratory and interested in tree-ring research with us. Miss Nani Husien, you will come to the Faculty of Environment and Resource Studies, Mahidol University between 20-30 September, 2019. During that time, I (Assoc. Prof. Dr. Pumijumng) will be in charge of you. In addition, as informed that you are also interested in the study of petrified wood. In Thailand, Petrified Wood Museum in Nakhon Ratchasima province is a place where the petrified wood is collected and there is a laboratory for academics who are interested. Therefore, we will take you to visit Petrified Wood Museum during your stay in Thailand.

I sincerely hope that you could accept my invitation. I am looking forward to your visit.

Yours sincerely,

N. Pumijumng.
